CREATING THE FUTURE THROUGH ARTS EDUCATION

This season we have carefully designed our programming to connect with and inspire all ages while featuring unique aspects of the performing arts! ArtsBridge programming consists of four main programs.

Field Trips

Built in collaboration with leading national arts organizations, field trips to Cobb Energy Performing Arts Centre expose students to *high-quality*, educational performances that connect to *Georgia Standards of Excellence and the Common Core*. ArtsBridge increases accessibility by offering need-based *financial aid* assistance covering the cost of admission and/or transportation.

Classes & Training

Our programs focus on *skill and talent development* for both students and educators in the performing arts. These training opportunities include classes led by touring Broadway cast members, professionals from Atlanta theatre companies and Tony Award winning actor, Shuler Hensley.

Family Performance Series

These fun and engaging performances provide families the opportunity to *introduce young audiences* to the performing arts through shows they may already know and love! *Perfect for all ages*, from the young to the young at heart.

Georgia High School Musical Theatre Awards

Patterned after Broadway's Tony Awards, the *Georgia High School Musical Theatre Awards – The Shuler Awards* celebrates excellence in high school musical theater and involves over *10,000 students, educators, and theatre professionals* in a competitive season that culminates in a live, televised awards show.

Programs

“The caliber of performers, length of performance, and audience involvement are outstanding. Each performance inspires my students to investigate new avenues of interest.”

How it Works

A panel of adjudicators will attend participating school performances during October – March to evaluate each production. Each school will receive feedback from the adjudicators that attended the production and will be invited to attend The Shuler Awards Show at Atlanta’s world-class Cobb Energy Performing Arts Centre.

Nominations are announced in early April and the program culminates with an Awards Show to recognize excellence in 17 categories including Overall Production, Direction, Choreography, Leading Actor/Actress, Costumes, and many more!

Participating schools have access to unique opportunities through the Shuler Awards program! Each school may send two students to participate in the Shuler Ensemble, which opens and closes the Awards Show and one technical theatre student to participate in the S.T.A.R. Council (Students Take A Role), who serve as production assistants backstage during the Awards. Students are also eligible to apply for scholarships, which are presented the night of the Awards.

The recipients of the Leading Actor and Actress Awards are sent to New York to compete in the National High School Musical Theatre Awards – The Jimmy Nederlander Awards where they have college scholarship opportunities and the chance to win the coveted National Award.
