Million Dollar Quartet is the smash-hit Tony Award-winning musical inspired by the famed recording session that brought together rock 'n' roll icons Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for the first and only time. On December 4, 1956, they gathered at Sun Records in Memphis, the studios of legendary record producer Sam Phillips, for what would be one of the greatest jam sessions of all time. *Million Dollar Quartet* brings that incredible night to life, featuring a score of hits including "Blue Suede Shoes," "That's All Right," "Sixteen Tons," "Great Balls of Fire," "Walk the Line," "Whole Lotta Shakin' Goin' On," "Folsom Prison Blues," "Hound Dog" and more. Discover the true story of one unforgettable night that made rock 'n' roll history!
